Tony Rodrigues

SE AIML Student | Web Developer | ML Enthusiast

About Me

I am a second-year AIML engineering student at SFIT, passionate about machine learning, web development, and building intelligent systems. My journey combines academic excellence with hands-on projects that solve real-world problems.

Skills

Python | Machine Learning | React | HTML/CSS | JavaScript | SQL | NumPy | Pandas | TensorFlow | Git

Projects

Disease Predictor

ML-based disease prediction system using Naive Bayes and Neural Networks with 92% accuracy.

Tech: Python, Scikit-learn, Flask

Portfolio Website

Responsive personal portfolio built with React components and modern design principles.

Tech: React, HTML, CSS, JavaScript

Data Pipeline

End-to-end ML pipeline with data preprocessing, feature engineering, and model evaluation.

Tech: Python, Pandas, Sklearn, Matplotlib
